

HEALING YOUR FEMININE PSYCHE

This is a very unique, and
personal Healing Ritual,
performed in the Name of the
Mother Goddess.

It does not replace a course of therapy, but is intended as a
Ceremony of Healing
after rape, abortion, still birth, and or any other trauma,
mental or physical concerning a Woman's Sexuality or General Wellbeing.

The aim is to recreate a feeling of Wholeness and Ease
with her own femininity, for each woman taking part.

HEALING YOUR FEMININE PSYCHE

This unique, healing ritual was devised by
Dolores Ashcroft-Norwicki, the director of **S.O.L.**
Servants of the Light, a modern world wide, **Alexandrian Mystery School**.
She had given **Jên Miller** permission to use this rite and empowered her
to perform it, in Europe.

This seminar is not intended for physical healing, but for the mind and spirit .
The hurt of a physical assault may heal, but in her innermost feminine essence a woman may go on
hurting for a long while.

We hope to help you reach that inner self and bring you into contact with the Goddess who is
also part of your essential self. To restore you to your own feminine power.

Each Ceremony will be performed by the **Goddess Priestesses**,
Jen Miller and Claudia Miller.

Please Note:

An evening and two whole days are needed to prepare and perform this ritual.
